Drop Off Recycling Centers

In May of 2002, the Dauphin County Board of Commissioners and the Dauphin County Department of Solid Waste Management established the first voluntary Drop Off Recycling Center in Gratz. Not long thereafter, additional Centers were opened throughout the County; and as of 2011, there are 10 Drop Off Recycling Centers throughout Dauphin County for the convenience of our residents.

The Drop Off Recycling Centers were partially funded by the Pennsylvania Department of Environmental Protection's Act 101, Section 902 grant that was awarded to Dauphin County in 2001.

Help us keep our Centers safe, healthy, and clear of debris!

- Please don't leave behind items that are unacceptable at the Center. If it's not listed as an acceptable item—we do not take it.
- Please do not leave bagged recyclable materials outside of the bins.
- Please do not dispose of your household trash.
- Please respect the property on which the Drop Off Recycling Center is located.

Thank you for your cooperation!
