CITY COUNCIL OF HARRISBURG, PENNSYLVANIA

NOTICE OF CANCELLATION

ADMINISTRATION COMMITTEE

**Meeting of
October 29, 2013**

Tonight's public meeting of the Administration Committee of the Harrisburg City Council to review legislation related to implementation of aspects of the Harrisburg Strong Plan on the transfer and lease of the parking system is POSTPONED.

Council anticipates the public meeting to be rescheduled shortly, and reset for the week of November 4, 2013. Additional details on the new date and time will follow.

PLEASE NOTE: Council's rescheduling of this public review of the details of the transfer of the parking system is not intended and should not be interpreted as a negative reflection on the Harrisburg Strong Plan. The Members of Council remain committed to the prompt and efficient implementation of the various components of the consensual resolution at hand and the fiscal recovery of the City.

The cancellation will provide Council members and the public the additional time needed to review the related materials. This will permit the members to conduct a more efficient and informative hearing on the matter.
